RE: File #1834-15: Wilcox Oil Company Superfund Site Project in Bristow, Creek County,
Oklahoma

Dear Ms. Higgins-Coltrain:

We have reviewed the documentation submitted on the referenced project. We find that we are unable to complete the review of your project without the following additional information:

- (1) Complete Historic Preservation Resource Identification Forms and appropriate photographs for each of the structures/buildings affected by the project that are 45 years old or older. From the documentation provided on 31 August 2015, photographs show extant historic resources.
- (2) A list of buildings within the APE, with addresses and dates constructed if they are less than 45 years old.

If you should have any questions concerning this request, please contact me at 405/522-4478.

Thank you for the opportunity to review this project. Please reference the above underlined file number when responding.

Sincerely,

A handwritten signature in blue ink, appearing to read "Lynda Schwan Ozan".
